SAIRAM NAMANI

Kothapet, Hyderabad   namanisai117@gmail.com   8897613480

SUMMARY

I am Sairam Namani, an MCA graduate with a strong academic foundation in computer applications and database management. Skilled in SQL, PostgreSQL, Python, HTML, and CSS, with practical knowledge in query optimization, schema design, and data handling. A collaborative and adaptable team player, eager to explore open-source database technologies and continuously enhance my technical expertise. Seeking an entry-level role in database or software development to contribute to innovative projects and build a successful career in the IT industry.
